### Declaration of Academic Integrity for Individual Pieces of Work

I declare that I am aware that as a member of the University community at the University of Leeds I have committed to working with Academic Integrity and that this means that my work must be a true expression of my own understanding and ideas, giving credit to others where their work contributes to mine.

I declare that the attached submission is my own work.

Where the work of others has contributed to my work, I have given full acknowledgement using the appropriate referencing conventions for my programme of study.

I confirm that the attached submission has not been submitted for marks or credits in a different module or for a different qualification or completed prior to entry to the University.

I have read and understood the University's rules on Academic Misconduct. I know that if I commit an academic misconduct offence there can be serious disciplinary consequences.

I re-confirm my consent to the University copying and distributing any or all of my work in any form and using third parties to verify that this is my own work, and for quality assurance purposes.

I confirm that I have declared all mitigating circumstances that may be relevant to the assessment of this piece of work and I wish to have taken into account.
